

—) The numbers of the various species
of birds in the same range would
be determined with much less difficulty
than all the other difficulties of determining
the numbers of the various species
in the same range. The number of
birds in a given range would
be determined by the number of
birds seen in a given area. — It is
easier to get along in a given area
and count the birds than it is to go
to a given place and count the
birds in a given range. The number of

are to be engaged. — Consec.
The next meeting will be held on
the 25th January at the usual place
at 10 o'clock A.M. — The business
will consist of the election of
a President & Vice-President, and
of a Standing Committee of 5 or 6
men to act as a Board of Directors
and to draw up our rules & by-laws.
John H. C. F.

me a procedure of various
procedures which will
help you in your first year of
university and help you to
make it better and always
keep your spirit up and
keep your head up and
and not to give up and
not to let others get you down
and not to give up and
keep your head up and
keep your spirit up.
