

III. 81
C
In the first verse we have the story
of the first man Adam and his wife
Eve. God made them in his own image
and likeness and gave them the command
to multiply and replenish the earth.

~~He~~ In the second verse we have the story
of the flood. God sent a flood upon the earth
and all living creatures were destroyed.
But Noah and his family were saved.
He built an ark and took into it
all kinds of living creatures and
they all lived together in the ark
until the waters subsided.
~~He~~ In the third verse we have the story
of the Tower of Babel. God saw that
the people were becoming too numerous
and spreading over the earth. So he
confused their language so that they
could not understand each other
and scattered them over the earth.
This is the end of the first part of the book.

~~Chapter~~ Chapter

Three thousand years ago,
there was a great flood,

when God sent a flood upon the earth.
All the people died except Noah and his
family who were saved in an ark.
The flood lasted for forty days and
the waters covered the whole world.
When the waters subsided, Noah
and his family came out of the ark.

After the flood, God said to Noah,
I will never again send a flood upon the earth.
I will give you a rainbow in the sky
as a sign that I will never do it again.
