

Handwritten Latin text in a cursive script. The text is densely packed and covers most of the page. It appears to be a single continuous entry or a list of items, possibly related to a botanical or natural history collection, given the use of the word 'specimen' and other descriptive terms. The ink is dark brown and the paper shows signs of age.

Faint handwritten text or bleed-through from the reverse side of the page, mostly illegible due to fading and overlap with the main text.
