225) for minister & his wife single
and slender - strong & healthy
would have been well
employed as a teacher
I hope it will interest you in the
way of your minister & his
wife for you

el 2 de enero de 1890 se expuso
en el Congreso de los Estados Unidos
un informe de la Comisión
especial sobre las costumbres y

~~the first thing we saw was a
large colony of small
brownish birds with long
tails - they were flying over
and over the water and were
not to be seen on land. They
had long legs and short
wings and were very
active.~~
