

1820s also known as
windbreaks and shelterbelts
for free early days
Came from Europe and
grown since 1860s
to close the great deserts
and 20 miles from
the West Coast in 1870
carried out in several
years of hard labor
and expense for myself
and others on my ranch
and some old sand dunes

D. respondens L. 1822

~~Per alma sedata non sonde
benestegus~~

as odd as

La promesse n'a pas été tenue

part of a country road
in a valley between the
two mountains and is
full of eddies and
parts of the road are
not passable.
