

Sello quarto, diez maravedis.
DIS. ANO DE MIL Y SEISCIENTOS
Y QUARENTA Y OCHO.

Dies marañel?

[The main body of the document contains several paragraphs of handwritten text in a cursive script, which is mirrored upside down. The text is largely illegible due to the angle and fading. At the top, there are some initials and a signature, possibly 'Juan de...' and 'Juan de...'. The right margin contains a vertical column of smaller handwriting.]
