Antomea

*[The page contains several fragments of handwritten text in a cursive script, likely from a 16th-century manuscript. The text is written in dark ink on aged, yellowed paper. The fragments are separated by large, irregular white spaces, suggesting the page was once continuous but has since been torn or damaged. The script is dense and flowing, with many ligatures and flourishes. Some fragments are written in a larger, more formal hand, while others are in a smaller, more cursive hand. The text is mostly illegible due to the damage and the cursive nature of the script.]*
