

alcalde alu^o

de santa p^{ra}

alg^o sila

auellan

[The main body of the document consists of dense, handwritten text in a historical script, likely Castilian or Spanish from the late 15th or early 16th century. The text is written in dark ink on aged, yellowed parchment. It is heavily obscured by large, irregular holes and tears, particularly in the center and lower right, which appear to be the result of insect damage or physical wear. The script is a cursive hand, with many ligatures and flourishes. Some legible fragments include 'alcalde alu', 'de santa p', 'alg sila', and 'auellan' on the left margin, and 'Ora' at the bottom left. The text is organized into several paragraphs, separated by small gaps or changes in lineation. The overall appearance is that of a well-preserved but significantly damaged historical manuscript.]
