The first thing I did
was to go to the
bank and get some
money out of the
machine.

Then I went to the
store and bought
some food. I was
a little bit nervous
at first, but I
got used to it.

I then went to the
post office and
sent a letter to
my family. I was
glad to hear from
them and to let
them know I was
safe.

After that I went
to the bank again
and got some more
money. I was
feeling better now
and was starting
to enjoy my stay
in the city.

I then went to the
park and saw
some beautiful
flowers. I was
in luck and found
some very nice
ones.

I then went to the
museum and saw
some very interesting
things. I was
impressed by the
collection and
the way it was
displayed.
