 that the disease is  
 often accompanied by  
 a loss of notoriety. The  
 forty-ninth fact is  
 that the disease is  
 often accompanied by  
 a loss of infamy. The  
 fiftieth fact is that  
 the disease is often  
 accompanied by a  
 loss of dishonor. The  
 fifty-first fact is that  
 the disease is often  
 accompanied by a  
 loss of shame. The  
 fifty-second fact is  
 that the disease is  
 often accompanied by  
 a loss of disgrace. The  
 fifty-third fact is  
 that the disease is  
 often accompanied by  
 a loss of contempt. The  
 fifty-fourth fact is  
 that the disease is  
 often accompanied by  
 a loss of scorn. The  
 fifty-fifth fact is  
 that the disease is  
 often accompanied by  
 a loss of derision. The  
 fifty-sixth fact is  
 that the disease is  
 often accompanied by  
 a loss of mockery. The  
 fifty-seventh fact is  
 that the disease is  
 often accompanied by  
 a loss of ridicule. The  
 fifty-eighth fact is  
 that the disease is  
 often accompanied by  
 a loss of sarcasm. The  
 fifty-ninth fact is  
 that the disease is  
 often accompanied by  
 a loss of irony. The  
 sixtieth fact is that  
 the disease is often  
 accompanied by a  
 loss of wit. The  
 sixty-first fact is that  
 the disease is often  
 accompanied by a  
 loss of humor. The  
 sixty-second fact is  
 that the disease is  
 often accompanied by  
 a loss of fun. The  
 sixty-third fact is  
 that the disease is  
 often accompanied by  
 a loss of amusement. The  
 sixty-fourth fact is  
 that the disease is  
 often accompanied by  
 a loss of entertainment. The  
 sixty-fifth fact is  
 that the disease is  
 often accompanied by  
 a loss of recreation. The  
 sixty-sixth fact is  
 that the disease is  
 often accompanied by  
 a loss of relaxation. The  
 sixty-seventh fact is  
 that the disease is  
 often accompanied by  
 a loss of leisure. The  
 sixty-eighth fact is  
 that the disease is  
 often accompanied by  
 a loss of pastime. The  
 sixty-ninth fact is  
 that the disease is  
 often accompanied by  
 a loss of diversion. The  
 seventieth fact is that  
 the disease is often  
 accompanied by a  
 loss of amusement. The  
 seventy-first fact is  
 that the disease is  
 often accompanied by  
 a loss of entertainment. The  
 seventy-second fact is  
 that the disease is  
 often accompanied by  
 a loss of recreation. The  
 seventy-third fact is  
 that the disease is  
 often accompanied by  
 a loss of relaxation. The  
 seventy-fourth fact is  
 that the disease is  
 often accompanied by  
 a loss of leisure. The  
 seventy-fifth fact is  
 that the disease is  
 often accompanied by  
 a loss of pastime. The  
 seventy-sixth fact is  
 that the disease is  
 often accompanied by  
 a loss of diversion. The  
 seventy-seventh fact is  
 that the disease is  
 often accompanied by  
 a loss of amusement. The  
 seventy-eighth fact is  
 that the disease is  
 often accompanied by  
 a loss of entertainment. The  
 seventy-ninth fact is  
 that the disease is  
 often accompanied by  
 a loss of recreation. The  
 eightieth fact is that  
 the disease is often  
 accompanied by a  
 loss of relaxation. The  
 eighty-first fact is  
 that the disease is  
 often accompanied by  
 a loss of leisure. The  
 eighty-second fact is  
 that the disease is  
 often accompanied by  
 a loss of pastime. The  
 eighty-third fact is  
 that the disease is  
 often accompanied by  
 a loss of diversion. The  
 eighty-fourth fact is  
 that the disease is  
 often accompanied by  
 a loss of amusement. The  
 eighty-fifth fact is  
 that the disease is  
 often accompanied by  
 a loss of entertainment. The  
 eighty-sixth fact is  
 that the disease is  
 often accompanied by  
 a loss of recreation. The  
 eighty-seventh fact is  
 that the disease is  
 often accompanied by  
 a loss of relaxation. The  
 eighty-eighth fact is  
 that the disease is  
 often accompanied by  
 a loss of leisure. The  
 eighty-ninth fact is  
 that the disease is  
 often accompanied by  
 a loss of pastime. The  
 ninetieth fact is that  
 the disease is often  
 accompanied by a  
 loss of diversion. The  
 hundredth fact is that  
 the disease is often  
 accompanied by a  
 loss of amusement.
