

The first thing that I did was to  
 go to the bank and see what  
 the interest was on my money.  
 I found that it was very low  
 and I was disappointed.  
 I then went to the office  
 and saw the manager.  
 He told me that the interest  
 was low because of the state  
 of the economy.  
 I asked him if there was anything  
 I could do to get a better rate.  
 He said that I could try to  
 get a better rate by moving  
 my money to another bank.  
 I decided to do this and  
 I moved my money to a  
 different bank.  
 I found that the interest  
 was much better there.  
 I was very happy with the  
 new bank and I stayed there  
 for a long time.
