

[Handwritten Latin text, likely a continuation from folio 170v, mentioning names like Alexander and various ecclesiastical or legal terms.]

[illegible][illegible][illegible]

I am of the like age as the other
 and have been in the same way
 of study for many years. I have
 been in the same way of study
 for many years. I have been in
 the same way of study for many
 years. I have been in the same
 way of study for many years.

[Faint handwritten text, likely bleed-through from the reverse side of the page.]
