

Concejo

Su Magestad... (The main body of text in the upper section, heavily written in a cursive hand, partially obscured by a large decorative initial 'S' on the left. The text discusses various matters related to the council and the king's service.)

Sumo dero yoz
libros a funde
ochoa e cano
dauolos y gmeo
aluce y funde
Aubera du obij
y huzero de haze
el barto

... (The second main block of text, continuing the cursive script. It appears to be a detailed record or report, mentioning various names and locations, possibly related to the 'Luzero' mentioned in the marginal note.)

y les huzero finos
dos yebos don
n/aba
