

S. 3.

14. mrs: Dalsa para el año de mill y seiscientos y quatro
renta y seis.

Restablecimiento de
Militias

[The main body of the document is written in dense, cursive handwriting. The text is largely illegible due to the script and fading, but it appears to be a detailed report or petition. It contains several paragraphs of text, some starting with 'Yo el Rey' or similar formal phrases. The handwriting is characteristic of the 16th or 17th century.]
