For the French Revolution, the author uses the word revolution to describe the political changes that took place in France. He also refers to the French Revolution as a political revolution, which means that it was a change in the way power was organized in society. The author also notes that the French Revolution was a social revolution, which means that it was a change in the way people lived their lives and interacted with each other.

the first time I have seen it. It is a very  
handsome bird, with a long crest, and  
is about the size of a pheasant.
