and the other side to the former. This is a very large area of land, and it is difficult to get across it without getting lost. The terrain is rugged and there are many obstacles to navigate around. The water is shallow and rocky, and there are many small streams and rivers that need to be crossed. The sky is overcast and the temperature is cool, making it a challenging environment to work in.

and my confidence in myself will wane
I have not tried to do my best - but still
myself I have. To my mother I write a postcard
which says "I will be back again if you like".
I expect it will come.
and I will not be back again if you do not
put off at the earliest opportunity
I plan to go to the mountains again as soon as
you can get me away from here. I am not
sure when that will be but I hope it will be
within a week or two.
