[Faint, mostly illegible handwritten text in a cursive script, likely a continuation of a medical or scientific treatise. The text is written in dark ink on aged, yellowed paper. Some words are partially legible, such as 'de y n p i', 'm d a l b r a', 'd i q u e', 'a p i', and 'e f e n b r a'. The handwriting is dense and fills most of the page below the main heading.]
