

The first of these is the fact that the
 population of the country has increased
 very rapidly since the year 1800.
 This is due to a number of causes,
 the most important of which are
 the discovery of gold in California
 and the invention of the steam engine.
 The discovery of gold in California
 led to a great influx of people
 from all parts of the world.
 The invention of the steam engine
 made it possible to travel
 more rapidly and comfortably
 than ever before.
