

The first thing I saw when I  
 stepped out of the train was  
 a beautiful view of the  
 mountains. The air was  
 fresh and the sun was  
 shining. I felt like I  
 had reached a new world.  
 The people were friendly  
 and the food was delicious.  
 I had heard that the  
 mountains were beautiful  
 and now I knew it was  
 true. I had found a  
 new home.

Yours truly,  
 John Doe
