

and the day after another one from the same place
mentioning that Guglielmo had been there and
that he had been there 2 or 3 days. It is also mentioned that
Pompeii was captured by the Romans in 79 AD
and that the eruption of Mount Vesuvius in 79 AD
had destroyed the town. The author also mentions that
the town was founded by the Greeks in the 6th century BC
and that it was later taken over by the Romans in the 1st century AD.
The author also mentions that the town was destroyed by the
Vandals in the 5th century AD and that it was later taken over by the
Normans in the 11th century AD. The author also mentions that
the town was captured by the French in the 18th century AD.
The author also mentions that the town was captured by the
British in the 19th century AD. The author also mentions that
the town was captured by the Germans in the 20th century AD.
The author also mentions that the town was captured by the
French in the 19th century AD. The author also mentions that
the town was captured by the British in the 20th century AD.

~~She also, however, remains to be examined further~~
