

~~צוהנחל ארמון 9610~~

~~Handwritten text, possibly a signature or name, crossed out with a diagonal line.~~

[Faint, illegible handwritten text, possibly bleed-through from the reverse side.]

[The page contains a large, dense block of handwritten text in a cursive script, likely from a 17th-century manuscript. The text is written on aged, slightly discolored paper. A prominent diagonal crease or fold runs across the page from the upper left towards the lower right. The handwriting is somewhat faded and difficult to decipher, but appears to be a form of early modern German or Dutch cursive. There are some ink blots and signs of wear on the paper.]
