

The first of these is the  
 fact that the population  
 of the country has  
 increased very rapidly  
 since the year 1750.  
 This is due to a number  
 of causes, the most  
 important of which are  
 the discovery of new  
 lands, the improvement  
 of agriculture, and the  
 increase of commerce.  
 The second is the  
 fact that the population  
 has become more  
 civilized and more  
 industrious. This is  
 due to the influence  
 of the arts and  
 sciences, and to the  
 progress of the  
 human mind.

The third is the fact  
 that the population  
 has become more  
 united and more  
 happy. This is due  
 to the influence of  
 the Christian religion,  
 and to the progress  
 of the human mind.  
 The fourth is the fact  
 that the population  
 has become more  
 virtuous and more  
 moral. This is due  
 to the influence of  
 the Christian religion,  
 and to the progress  
 of the human mind.

The fifth is the fact  
 that the population  
 has become more  
 peaceful and more  
 contented. This is  
 due to the influence  
 of the Christian religion,  
 and to the progress  
 of the human mind.

The sixth is the fact  
 that the population  
 has become more  
 virtuous and more  
 moral. This is due  
 to the influence of  
 the Christian religion,  
 and to the progress  
 of the human mind.
