[The following text is a dense block of handwritten script, likely a list or account, written in a cursive hand. It is oriented upside down relative to the page's top edge. The text is difficult to decipher due to the cursive style and some fading, but it appears to contain several lines of entries, possibly names and associated numbers or descriptions.]

[A line of handwritten text at the bottom of the page, also oriented upside down. It appears to be a signature or a concluding note, possibly starting with a name like 'Alzenn' or similar.]
