The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 nobody seemed to know
 what they were doing. I
 tried to get a grip on
 the situation but it was
 impossible. The more I
 thought about it the more
 I was convinced that
 something was wrong. I
 decided to call in the
 police and see what they
 had to say. They came
 and looked at the papers
 but they couldn't find
 anything. I was
 disappointed but I
 didn't give up. I
 kept looking for
 clues and finally I
 found one. It was a
 small piece of paper
 tucked away in a
 drawer. It had the
 name of a man on it
 and a date. I
 recognized the name
 and I knew what
 it was. I had
 found the key to
 the mystery.
