

1810
The text in this section is mirrored bleed-through from the reverse side of the page. It includes several lines of cursive handwriting, some of which are partially obscured by the large red stain in the center.

The bottom section of the page contains more mirrored bleed-through text from the reverse side. The handwriting is cursive and somewhat faded. There are several distinct signatures and lines of text, though they are difficult to decipher due to the bleed-through and the stain above. A prominent signature is visible near the bottom center, and another is on the right side. The page number '1810' is written in the top left corner.
