The above is a list of the names of the persons who have been
 appointed to the various committees of the Board of Directors.
 The names are given in alphabetical order of the last name.
 The names of the persons who have been appointed to the
 various committees are given in parentheses after the name of
 the committee.

The first of these is the fact that the
 number of people who are employed in
 the service of the government is
 increasing rapidly. This is due to
 the fact that the government is
 expanding its activities in many
 fields, and is therefore requiring
 more and more people to work
 for it. This is a very important
 fact, and it is one which should
 be taken into account in any
 study of the government's role in
 the economy.
