

and who do witness this our - 3000
— spet — witness before whom we in
yesterdays before last were present & saw the same
said general witness among others witness to the said marriage
which was done before us all & which we did
witness & were present & observed the same to be
done by the said General before whom we were present
the yesterdays — said witness before whom we
were present & observed the same to be
done by the said General before whom we were present
the yesterdays — said witness before whom we were
