

of the several plaudits which follow it, and
of which the last (unpublished) gives a very full account of the principal
events of the year, and of the progress of the movement.
The author has however, in his judgment, omitted
the following account of the progress of the movement,
as it would be better to let the reader judge for himself
of the progress of the movement, and of the various
events which have taken place, than to have them
told him by one who is not a member of the party.
