

The first thing I did was to
 go to the bank and see
 what was going on. I found
 the money was all gone.
 I was very angry and
 I went to the police.
 They told me that the
 money was stolen. I was
 very sad and I went
 to the bank again. I
 found the money was
 all gone. I was very
 angry and I went to
 the police. They told me
 that the money was
 stolen. I was very sad
 and I went to the bank
 again. I found the money
 was all gone. I was very
 angry and I went to the
 police. They told me that
 the money was stolen. I
 was very sad and I went
 to the bank again. I found
 the money was all gone.
