

The first of these is the
 fact that the British
 have been successful in
 their operations in the
 East Indies.

The second is the
 fact that the British
 have been successful in
 their operations in the
 East Indies.

The third is the
 fact that the British
 have been successful in
 their operations in the
 East Indies.

The fourth is the
 fact that the British
 have been successful in
 their operations in the
 East Indies.

The fifth is the
 fact that the British
 have been successful in
 their operations in the
 East Indies.
