

These things are of the same nature as the
 things which are written in the book of
 the prophet Isaiah. For he saith
 Thus shall the land be desolate
 and the cities shall be
 without inhabitant. And the
 mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.

And the mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.

And the mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.

And the mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.

And the mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.

And the mountains shall be
 desolate and the hills
 shall be broken down. And
 the towers shall be
 cast down and the
 walls shall be
 ruined. And the
 cities shall be
 without inhabitant
 and the land shall
 be desolate.
