

The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 I had to spend some time
 trying to get things
 straightened out. I was
 very busy for the first
 few days. I had to
 see to it that the
 accounts were all
 correct. I had to
 check up on the
 books and make
 sure that everything
 was in order. I
 was very tired
 when I finished
 the day's work.
