

The first thing I observed
 was the smell of the
 sea, which was very
 strong and pleasant.
 The water was very
 clear and blue, and
 the sky was a deep
 blue. The sun was
 shining brightly, and
 the air was warm and
 fresh. I felt very
 happy and relaxed.
 The people were very
 friendly and helpful.
 I had a very good
 time, and I will
 never forget it.

The second thing I
 noticed was the
 sound of the waves
 crashing against the
 rocks. It was a very
 soothing sound, and
 it made me feel
 very calm. I had
 never heard such a
 beautiful sound before.
 The waves were very
 big, and they were
 breaking very hard.
 I was very impressed
 by the power of the
 sea. It was a very
 amazing sight, and
 I was very lucky to
 see it.

The third thing I
 noticed was the
 taste of the sea
 breeze. It was very
 refreshing, and it
 made me feel very
 invigorated. I had
 never tasted such a
 delicious breeze before.
 The breeze was very
 strong, and it was
 blowing very hard.
 I was very happy to
 feel the breeze on my
 face. It was a very
 wonderful experience,
