

I have been thinking of you
 and how much I love you
 and how much I care for you
 and how much I desire to see you
 and how much I desire to hear from you
 and how much I desire to be with you
 and how much I desire to be in your arms
 and how much I desire to be in your heart
 and how much I desire to be in your soul
 and how much I desire to be in your life
 and how much I desire to be in your love
 and how much I desire to be in your grace
 and how much I desire to be in your mercy
 and how much I desire to be in your kindness
 and how much I desire to be in your gentleness
 and how much I desire to be in your patience
 and how much I desire to be in your meekness
 and how much I desire to be in your mildness
 and how much I desire to be in your sweetness
 and how much I desire to be in your goodness
 and how much I desire to be in your beauty
 and how much I desire to be in your glory
 and how much I desire to be in your honor
 and how much I desire to be in your praise
 and how much I desire to be in your worship
 and how much I desire to be in your adoration
 and how much I desire to be in your reverence
 and how much I desire to be in your respect
 and how much I desire to be in your esteem
 and how much I desire to be in your regard
 and how much I desire to be in your attention
 and how much I desire to be in your care
 and how much I desire to be in your protection
 and how much I desire to be in your preservation
 and how much I desire to be in your maintenance
 and how much I desire to be in your support
 and how much I desire to be in your assistance
 and how much I desire to be in your help
 and how much I desire to be in your aid
 and how much I desire to be in your succor
 and how much I desire to be in your relief
 and how much I desire to be in your comfort
 and how much I desire to be in your consolation
 and how much I desire to be in your solace
 and how much I desire to be in your refreshment
 and how much I desire to be in your recreation
 and how much I desire to be in your amusement
 and how much I desire to be in your diversion
 and how much I desire to be in your pastime
