

I have received your letter of the 10th
 of the month and am glad to hear
 that you are well and hope
 that you will continue to be so
 for some time yet. I am
 well at present and hope
 that you will be the same
 soon. I have not much news
 to write at present. I am
 still in the same place
 and hope to stay there
 for some time yet. I am
 well and hope that you
 will be the same soon.
