

SELLO QVARTO, DIEZ MARAVEDIS,  
 CNº DE MIL Y SEISCIENTOS  
 Y QUARENTAY DOS.

*[The main body of the document is written in extremely faded, cursive handwriting, which is largely illegible. It appears to be a formal record or certificate, possibly mentioning names and titles such as 'don...', 'don...', and 'don...'. There are some faint words that might be 'señor', 'don', and 'de'. The text is densely packed and spans most of the page.]*
