

Diez marzo de

**SELLO QUINTO, DIEZ MARAVEN
DIS, ANO DE MIL Y SEISCIENTOS 633
Y OCHENTA Y TRES**

[The body of the document is filled with handwritten text in Spanish, written in a cursive script. The text is significantly obscured by large, white, irregular blotches and scratches, which appear to be damage to the original document or attempts at redaction. The visible fragments of text are difficult to decipher but seem to be a legal or official decree.]
