

new copy of the same book, as the original is now in the hands of the King of Spain.

The first part of the book is a history of the discovery of America, and the progress of the Spanish colonies. It is written in a very elegant and flowing style, and is full of interesting particulars. The second part is a description of the natural history of the continent, and the third part is a history of the civil and political state of the colonies.

The fourth part is a history of the commerce of the colonies, and the fifth part is a history of the arts and manufactures. The sixth part is a history of the sciences, and the seventh part is a history of the literature of the colonies. The eighth part is a history of the religion of the colonies, and the ninth part is a history of the manners and customs of the colonies.

The tenth part is a history of the government of the colonies, and the eleventh part is a history of the laws of the colonies. The twelfth part is a history of the constitution of the colonies, and the thirteenth part is a history of the rights of the colonies. The fourteenth part is a history of the duties of the colonies, and the fifteenth part is a history of the obligations of the colonies.

The sixteenth part is a history of the honors of the colonies, and the seventeenth part is a history of the rewards of the colonies. The eighteenth part is a history of the punishments of the colonies, and the nineteenth part is a history of the death of the colonies. The twentieth part is a history of the resurrection of the colonies, and the twenty-first part is a history of the glory of the colonies.
