2000 ft above sea level. The air is
dry & the temperature is about 70° F.
The sun is very bright & the sky is
blue. The mountains are covered with
green trees & bushes. The water is
clear & blue. The people are
friendly & the food is delicious.
I am staying at a guesthouse
run by a local family. They are
kind & welcoming. I am looking
forward to exploring the area
and experiencing the local culture.
I am also interested in learning
about the history of the region.
The weather is perfect for hiking
and I plan to go for a walk in the
mountains tomorrow. Overall, I am
having a great time here.
