

and every weare from the 20th day of August to September
in the year of our Lord one thousand six hundred and
fifteen by me John Sayer of the town of Chichester in
the County of Sussex Esquire my selfe and by the commandement
of the right Honourable the Earl of Pembroke of my
representatives in my absence and by the commandement
of the said Earl I have caused to be written this instrument
for the use of the said Earl of Pembroke and his
representatives in my absence.

In witness whereof I have set my hande and seal
this 14th day of October in the year of our Lord one thousand
six hundred and fifteen by me John Sayer of the town of Chichester
in the County of Sussex Esquire my selfe and by the commandement
of the right Honourable the Earl of Pembroke of my
representatives in my absence and by the commandement
of the said Earl I have caused to be written this instrument
for the use of the said Earl of Pembroke and his
representatives in my absence.

I have caused to be written this instrument
in witness whereof I have set my hande and seal
this 14th day of October in the year of our Lord one thousand
six hundred and fifteen by me John Sayer of the town of Chichester
in the County of Sussex Esquire my selfe and by the commandement
of the right Honourable the Earl of Pembroke of my
representatives in my absence and by the commandement
of the said Earl I have caused to be written this instrument
for the use of the said Earl of Pembroke and his
representatives in my absence.
