

*[Faint, mostly illegible handwritten text, possibly bleed-through from the reverse side of the page.]*

I am persuaded by experience that  
 the more we know of the world  
 the more we are able to enjoy it  
 and the less we are troubled with  
 the cares of it.

I have seen many who have  
 spent their lives in the study  
 of the sciences, and who have  
 acquired great knowledge, but  
 who have not been able to enjoy  
 the fruits of it.

I have seen many who have  
 spent their lives in the study  
 of the sciences, and who have  
 acquired great knowledge, but  
 who have not been able to enjoy  
 the fruits of it.

I have seen many who have  
 spent their lives in the study  
 of the sciences, and who have  
 acquired great knowledge, but  
 who have not been able to enjoy  
 the fruits of it.
