

Diezmaravedis.

SEI ENO, V. ORTO, DIEZ MARAVEDIS, CNO DE ACILY SEISCIENTOS PODREREN TO PODACTRO.

Handwritten text in a cursive script, likely a legal or administrative document. The text is dense and covers most of the page, starting with 'SEI ENO, V. ORTO, DIEZ MARAVEDIS...' and continuing with several lines of text. The script is somewhat faded and difficult to read in many places.
