 de la Ciudad de Segovia  
 por el Rey Don Alonso

*[The following text is written in a highly cursive, handwritten script, likely from the late 15th or early 16th century. It is difficult to decipher accurately due to the extreme slant and flow of the letters. The text appears to be a formal letter or decree, containing several lines of dense handwriting. Some words are partially legible, such as 'Señor', 'Obispo', 'Ciudad', 'Rey', and 'Don'. There are also several lines that appear to be crossed out or heavily corrected.]*
