

The first thing I did was to
 go to the bank and see
 what the interest was on
 the money I had there.
 I found it was very low
 and I was disappointed.
 I then went to the
 office and saw the
 manager. I told him
 what I had done and
 he said I was right.
 He said the interest
 was very low because
 the money was not
 being used for anything.
 I then went to the
 bank and saw the
 cashier. I told him
 what I had done and
 he said I was right.
 He said the interest
 was very low because
 the money was not
 being used for anything.
