

Carpe diem et ceteris
nisi possit amari.
Praesul est opus
et non sibi sed
iusto mundo, non
Cordis amor.

camped out at
the old fort of
Montezuma, about six
miles from the
village. The
mountain side
is very steep,
but the road
is well made
and passes over
the village
without difficulty.
The road goes
up the side of the
mountain, and
then turns down
the other side
again, so as to
cross the river
at different points
and pass over
the mountains
in different
directions.

and will have to be paid before I can get the
stocks up. I expect immediate return of the
stocks & I expect to have them back
within a week or two. I expect to have
them back in time to sell them at a profit.
I expect to have the stocks back by the
end of the month. I expect to have the
