

Do you desire to live quiet & enjoy
yourself in peace
with all men
in the world

For the sake of your soul
I have written these few
lines to you

It is the duty of every man
to live in peace with all men
and to be content with his lot
in this world. For the sake
of your soul, I have written
these few lines to you.
I am, my dear friend,
your affectionate friend,
Wm. Gode
