

The first part of the book is a
 description of the various
 kinds of plants which grow
 in the island of Java. The
 author describes the
 different species of
 trees, shrubs, and
 herbs, and gives a
 list of the names of
 the plants in the
 Malay language.

The second part of the book
 is a description of the
 various kinds of animals
 which are found in the
 island of Java. The
 author describes the
 different species of
 birds, beasts, and
 reptiles, and gives a
 list of the names of
 the animals in the
 Malay language.

The third part of the book
 is a description of the
 various kinds of minerals
 which are found in the
 island of Java. The
 author describes the
 different species of
 metals, stones, and
 fossils, and gives a
 list of the names of
 the minerals in the
 Malay language.

The fourth part of the book
 is a description of the
 various kinds of customs
 and manners which are
 found in the island of
 Java. The author
 describes the different
 customs of the
 various tribes, and
 gives a list of the
 names of the customs
 in the Malay language.
