

The first part of the  
 manuscript is a list of  
 names and titles, which  
 are written in a very  
 elegant hand. The names  
 are arranged in a regular  
 order, and each name is  
 followed by a title or  
 rank. The list is  
 headed by the name of  
 the person who has  
 compiled it. The names  
 are written in a very  
 clear and legible hand,  
 and the titles are written  
 in a smaller hand. The  
 list is a very valuable  
 document, and it is  
 well worth preserving.
