

The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 I had to spend a great
 deal of time in getting
 them in order. I also
 had to see to it that
 the accounts were
 properly kept. I found
 that the books were
 all out of date and
 I had to get them
 re-written. I also
 had to see to it that
 the receipts were
 properly filled up.
 I found that the
 accounts were all
 wrong and I had
 to get them
 corrected. I also
 had to see to it
 that the bills were
 properly paid.
