

The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 nobody seemed to know
 what they were doing. I
 decided to take a walk
 in the park to clear my
 mind. I saw many beautiful
 flowers and the children
 were playing happily. I
 felt much better after
 that. I went back to the
 office and started to
 work. I found that I
 was needed. I had to
 get things done. I was
 glad to be back to work.

Handwritten text, possibly a signature or a date.

I received a letter from
 my mother yesterday. She
 was very happy to hear
 from me. She said she
 was well and hope you
 were the same. I told
 her about my work and
 how busy I was. She
 said she would write to
 me again soon. I was
 glad to hear from her.

I went to the store to
 buy some groceries. I
 saw many new things
 and I bought some
 fruit. I was happy to
 go shopping. I will
 eat the fruit when I
 get home. I was
 glad to go to the store.
